

See what's new on the Australian Development Gateway (ADG)

Access over 4,000 quality resources for people working on development issues, with a particular focus on Asia and the Pacific

Participate: the website now receives over 50,000 visitors each month and is optimised for access on low-bandwidth connections in developing countries

Feature your skills, experience and lessons learned, and suggest additional resources for the ADG

Find contacts in the **people and organisations directory**; find the latest tenders and job vacancies

Home	Information by sector	Tenders & jobs	People & organisations	Discussion forums	Search
------	-----------------------	----------------	------------------------	-------------------	--------

The Australian Development Gateway (ADG) supports members of the development community in their efforts to reduce poverty and enhance sustainable development in the Asia Pacific region ([see about the ADG](#)). **This site is optimised for access from low-bandwidth locations.**

How the ADG can help you

The Australian Development Gateway (ADG) will make your work easier by bringing key information together in one place and in an easily accessible format. You'll find up-to-date, quality information, make contacts and gain access to other useful online resources, even in low-bandwidth locations.

- ▶ Free access to quality information on key development topics
- ▶ Explore employment opportunities, internships and volunteer placements
 - ▶ Find relevant people and organisations
- ▶ Participate: Contribute and showcase your knowledge and experience
- ▶ Utilise “Ask the sector specialist” features and online discussion forums
 - ▶ Stay in touch and keep up-to-date with current issues in your sector
